GLOW

We are passionate about enabling teachers and school leaders to help build greater understanding, confidence and a 'can do' attitude to maths, amongst pupils and students.

CPD opportunities for Maths Leaders

Mastery Specialist programme

Classroom practitioners who develop expertise in the mastery approach to teaching maths – supporting colleagues in their own schools and other schools to do the same.

Click here for more information by phase: [Primary](#) / [Secondary](#).
Apply here: [Primary](#) / [Secondary](#).

PD Lead programme

For those who are working with other teachers, as a leader of professional development, to enhance teaching and learning of maths.

[Click here](#) for more information.
[Apply here](#).

School Development Lead programme

For those looking to develop their approach to leading change in schools other than your own.

[Click here](#) for more information.
[Apply here](#).

Things to know

All courses carry funding for the participant's school.

The applicant(s) and headteacher/principal/senior leader should complete the online application form and it should be submitted to the NCETM by 1700 on Friday 31 March 2023.

Maths Hubs will complete the selection process. You will be informed of the result before the summer break.

For a full overview of all programmes available, go to www.ncetm.org.uk

What's coming up

GLOW Maths Work Groups opportunities ... launching soon!

Characteristics of SEND

If you or someone you know is passionate about SEND, sign up to our latest **Research & Innovation Work Group (RIWG)**, 'Characteristics of SEND' – launching on **Tuesday, 21 March 2023 at Gastrells Primary School, Stroud.**

Led by **Alan Edmiston, SEND Advisor** and **Editor of Equals publication**, this work group will support teachers/experts to consider how to create an inclusive classroom, in which all learners are engaged in mathematical thinking.

For more information, [click here](#).

To register for the Work Group, [click here](#).

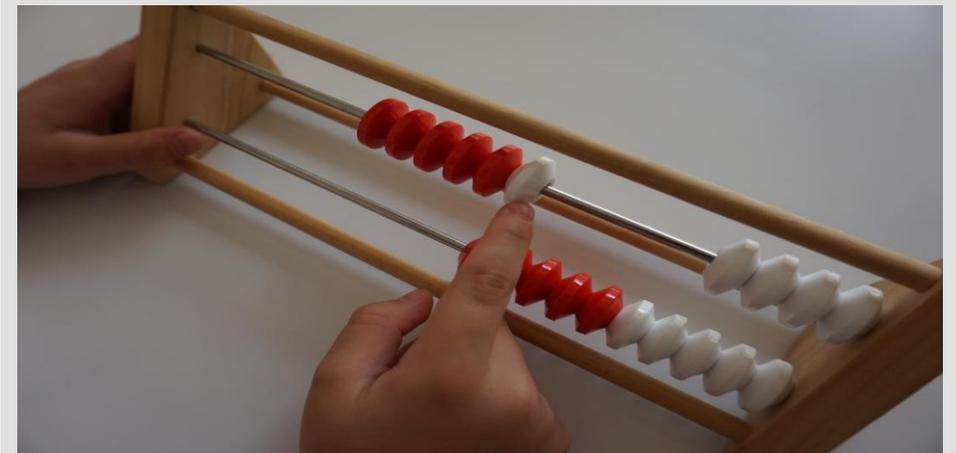

Mastering Number 2023/24

Rekenreks at the ready!

We're already recruiting for next year's Mastering Number programme. To ensure your school receives its free Rekenreks, register for your place by **24 March 2023.**

Limited spaces left

[Click here](#) to apply today or find out more about the Mastering Number programme [here](#).

Teaching for Mastery Sustaining Schools

We know that sustaining Teaching for Mastery (TfM) can be tricky. Every school has its own individual needs, which means there's no such thing as a 'one size fits all' approach.

Take your pick ... There are still events happening for schools that have completed the Developing and Embedding TfM programmes

Book today

From GLOW Live classroom events, to bespoke workshops that cover topics including: Mixed-Age Classrooms, Use of a Scheme and New Maths Lead, we believe there's something for everyone. [Click here](#) to have a look at what's on offer. To reserve your place, just click [here](#) to register

Save the Date
